Pine Tree orthopedic labs.

I have worked with and known Bruce Mac Donald since the mid 90's. I have been a big fan of Bruce, Todd and Bruce's father Bob. They introduced me to a Maine old school quality of doing things the right way.

I am happy to bring a pedorthic pre-certification class to the North East, co hosted by Bruce and the good folks at Pine Tree.

Bruce will be locating a Hotel for us nearby that will address all our requirements. Look for the contact information on the ISP or Pine tree websites.
